

## Wapsie Valley Baseball/Softball for 3rd, 4th, 5th, 6th

There is an opportunity to play travel Baseball/Softball for 3rd, 4th, 5th, and 6th grade boys/girls this spring/summer. The League we normally play in, has games on Tuesday/Thursdays for baseball and Monday/Wednesday in the surrounding towns, from mid May, to the end of June. Once we have teams formed, the coaches will enter the team in a league that works best for the team.

While we don't have all the details in place at this time, we do need to determine how many boys/girls will be playing this year, so we can determine how to break down the teams. Normally, we have enough players to have Fairbank and a Readlyn teams for both age groups, other years, we have had to combine and play as a Wapsie Valley team. The coaches/directors will determine which is the best breakdown once we see how many players sign up for each grade level. Please send payment of \$60 (participation fee) at this time, to help cover the cost of diamond chalk, balls, umpire fees, and other expenses for the sport. Expect additional costs to be around \$90, for the baseball Jersey, pants, helmets, and baseball caps. Depends what your child would need for this season.

**Please return this form & payment to your child's elementary school by Friday March 8th**
